BOSCH - 0120335007

225.501.070.000

 A set of two copper brushes with wooden handles, used for electrical contact in a motor.	 A black, circular plastic cover with a central hole and several ventilation slots, designed to protect the motor's internal components.	 A stack of five brass pulleys, which are used to guide and support the drive belt in a motor.
