STR50353

 A photograph of a single metal lever component, likely made of steel, with a curved shape and a hole at one end. It is set against a white background with a faint, light red "WOOD AUTO" watermark.	 A photograph of a repair kit containing several small metal components: a top row of five rings, a middle row of seven rings, and a bottom row of three rings. One ring in the top row is dark brown, while the others are silver. The kit is set against a white background with a faint, light red "WOOD AUTO" watermark.
